

# Choosing the Correct Device

## INSIDE HINGES

When standing outside the room and facing the door you want to secure:

If the door opens **IN** to the room and the hinges are on your left, you will want to order the:

### INSIDE LEFT-HINGE

*This hinge will be installed on the edge of the door.*

If the door opens **IN** to the room and the hinges are on your right, you will want to order the:

### INSIDE RIGHT-HINGE

*This hinge will be installed on the edge of the door.*

## OUTSIDE HINGES

When standing outside the room and facing the door you want to secure:

If the door opens **OUT** to the hall and the hinges are on your left, you will want to order the:

### OUTSIDE LEFT-HINGE

*This hinge will be installed on the door jamb.*

If the door opens **OUT** to the hall and the hinges are on your right, you will want to order the:

### OUTSIDE RIGHT-HINGE

*This hinge will be installed on the door jamb.*

Please do not hesitate to contact us if you have further questions as to which type of hinge is right for your doors.
